

## **Squad Rep's**

*Satellites have recently introduced parent squad rep's for the younger squads. These parents are there to help answer any questions you may have about anything to do with the world of swimming; no matter how silly you think the question may be!*

*Coaches are usually available to talk to regarding queries or swimmers progress following most training sessions, and can be found in front of the notice board for at least 15 minutes following training; however if you can't find a coach or want to speak to a parent instead please approach the following rep's:*

### **Junior Squads (Competitive Development and Junior Development):**

*Helen Ashby  
Suzanne Mather*

### **Competition Squad 2:**

*Melanie Brocklehurst  
Mandy Davies*

*If these parents cannot answer your question they will be able to put you in touch with someone who will know, whether it is a Committee Member or a Coach. If there is something you are unsure of please don't suffer in silence – speak up – the chances are you won't be the only one wondering about the same things!*
