

SATELLITES OF MACCLESFIELD SWIMMING CLUB

Affiliated to ASA S.N.W.R

Dear Parents/Guardians,

The club would like to include pictures of swimmers on the club website (swimsatellite.co.uk). In addition to this, photographs are often requested by the local press, to accompany articles submitted for publication in newspapers, covering galas or highlighting achievements by the swimmers. Such publicity, whilst acknowledging the swimmer's success also promotes the club within the local community.

Because of data and child protection legislation it is necessary for us to gain the consent of those with parental responsibility for children for such photographs to be placed on the website or made available to the local press.

Photographs will only be made available to either media if they adhere to the following criteria:

-
- No pictures of swimmers swimming.
- Swimmers will wear shirts (club or otherwise)
- Only upper torso (above waist) photographs of individual swimmers, unless the swimmer is in shorts/skirt/trousers.

The club would be grateful if you would complete the slip below in pen and return it for the attention of the membership secretary Satellites SC, indicating your wishes in this matter.

Yours sincerely
The Committee
