

**Satellites of Macclesfield S.C Monthly Swimming Fees**  
**Effective 1<sup>st</sup> January 2010**

The table below gives the monthly fees payable for club training, based on the number of hours a swimmer has been allocated per week.

The number of hours allocated is determined by the coach in consultation with the swimmer and/or their parent or guardian.

A 20% discount applies for additional family members.

| Hours Per week | Monthly fee By standing order | Equiv. hourly | 20% disc rate |
|----------------|-------------------------------|---------------|---------------|
| 1              | £12.60                        | £3.15         | 10.18         |
| 2              | £23.10                        | £2.89         | 18.48         |
| 3              | £31.50                        | £2.63         | 25.20         |
| 4              | £37.80                        | £2.36         | 30.24         |
| 5              | £44.10                        | £2.21         | 35.28         |
| 5.5            | £47.25                        | £2.15         | 37.80         |
| 6              | £50.40                        | £2.10         | 40.32         |
| 6.5            | £52.50                        | £2.02         | 42.00         |
| 7              | £54.60                        | £1.95         | 43.68         |
| 8              | £57.75                        | £1.81         |               |
| 9              | £60.90                        | £1.69         |               |
| 10             | £63.00                        | £1.58         |               |
