

**SATELLITES OF MACCLESFIELD
SWIMMING CLUB**
Affiliated to N.W.R.A.S.A.

Dear

Every year Satellites of Macclesfield hold their open meet at Macclesfield Leisure Centre. This is a popular event in the national swimming calendar, attracting a huge number of swimmers and spectators from all over the Northwest and Midlands. This year the event is to be held on the 24th and 25th April 2010.

To assist with the cost of running this event we would like you to consider sponsoring an advert in the programme or indeed sponsoring one of the races. Sponsorship will have your company name in every programme which each spectator attending receives; we will announce any sponsorship over the public address system for all to hear. All this for just £50 which includes either a half page black & white advert or black & white sponsorship banner above the selected race in the programme.

This event attracts some of the highest level of national swimmers; including Satellites own National qualifying swimmers.

We would be very grateful of your support as the costs of hosting such a large event are considerable for the club. Satellites are a local club, run by volunteers which supports the training and development of young local swimmers.

If you are interested please contact Joyce Hughes on 07525 624603 or email press@swimsatellite.co.uk as soon as possible and we will get in touch to arrange your advert. Alternatively please complete and send the attached form.

We look forward to hearing from you and would greatly appreciate your support.

(Mrs Joyce Hughes)

For & on behalf of Satellite SC

Address: Satellite Swimming Club c/o Joyce Hughes, 1 Woodland Close, Leek,
Staffordshire. ST13 5SG

Yes I am interested in sponsoring the Annual Open Meet at Satellites of
